

The six churches of the Avon Valley Partnership work together.

The team of Parish Visitors is one way in which we care for our local community.

We are part of the Church of England and welcome everybody to discover more about the Christian faith.

We strive to have open hearts; open minds; and open doors to all our churches.

CARING AND SHARING TOGETHER

Would you like someone to visit you for company and a chat?

Are there times when the tasks of caring for someone you love become almost overwhelming?

Have you been bereaved, whether recently or some time ago, and are finding it hard to adjust?

Are you new to the area and looking to make contact with new neighbours?

Our Churches work in partnership to offer care and a listening ear.

One of our team of authorised Parish Visitors would be delighted to visit you, to get to know you and offer you simple, practical care.

Our Parish Visitors work under the direction of the Rector and receive regular support and supervision.

Some of the Parish Visitors are authorised to bring you Holy Communion at home.

Please ask if you would like to arrange for this to happen.

If you or someone you care for is going into hospital, we can contact the Hospital Chaplaincy Team for you.

One of our team of Priests is always available.
